ABOUT THE PROJECT

UPSKILL & RECONNECT! is an international Erasmus+ project that brings together young people from six countries to strengthen digital skills, leadership abilities, and social responsibility.

OBJECTIVES

- Empower youth to become mentors to senior citizens in digital literacy
- Develop leadership, communication, and facilitation skills
- Promote intercultural learning and active citizenship
- Strengthen social responsibility and youth engagement in communities

ACTIVITIES

TRAINING IN KOTOR

- Over five days of learning and connection, participants:
- Completed training modules in digital skills, leadership, facilitation, and social responsibility
- Engaged in interactive workshops and group activities
- Explored Kotor's cultural and historical landmarks
- Enjoyed cultural exchange evenings, including a Bosnian Cultural Night

UPSKILL AND RECONNECT!

PARTICIPANT QUOTES

- “This was an unforgettable experience! We learned so much about digital tools, but also about ourselves.”
- “Connecting with youth from other countries opened my eyes – we are so different, yet so similar.”
- “Kotor is beautiful, and the people here are so kind and welcoming. I felt like home.”
- “The Bosnian cultural night was something special – songs, food, and an atmosphere I’ll never forget.”
- “This project gave me motivation to become a mentor and role model in my community.”
